## In row cultivator for vineyard and orchard

Picture #1 Rinieri EL 140

A new Rinieri EL 140 sells for \$11,330. An optional hydraulic over-ride allows operator to withdraw tiller at will. See lever at right of the tractor operator in picture #1. This option adds \$580 to cost. A second over-ride option is an electrohydraulic switch. See picture #2. Light colored control box with red push button at right side of hydraulic tank. This option adds \$1160 to cost of machine. A used model with one full seasons work on it is available for \$7,500 Fob Northern Oregon. Has some wear on tines and faded paint but otherwise is in good

condition and function. See picture #3.

Used unit in picture #2 cost \$12,410 new and can be had for \$10,200 now. This machine has been used in several short demonstrations in vineyards
